

Winter/Spring 2019 Outside School Activities (OSA) Vendor Registration

Monday January 14th through Friday April 26th

The PTO is proud to offer a variety of outside school enrichment programs from area vendors.

Registration and Payment

1. **You must be a PTO member to register.** Please visit www.springhillpto.org/join-the-pt and become a member prior to starting the online registration process. (Families must re-join the PTO each and every school year to be active members.)
2. The links listed below will take you directly to the vendor's website, where you will be able to register. These links can also be found on the PTO website at: www.springhillpto.org/
3. If your child does not meet the grade requirements listed for a class, you **may NOT** register for that class. Please be respectful of the teacher's request on grade level.
4. Children are not permitted to attend class without advance registration and payment. Any unregistered child who arrives for a class will be sent to the school office to wait for their parents.

Withdrawals and Refunds

1. **Please consider class choices carefully as refunds will NOT be given beyond the registration period.**
2. Refunds will go through the vendor and are subject to their policies.

Class Cancellation

1. In the event that a class is cancelled for a particular day, we will do our best to offer a make-up class, however, a make-up class is not guaranteed.
2. In the event that your child misses class on a day that the class is held, no make-up class will be offered.
3. No refunds will be given for missed or cancelled classes.

Pick Up/Late Pick Up/Behavior

1. **Children MUST be picked up at the class location** after each class by their parents or other designated adult. Children will not be permitted to meet parents outside school or at kiss and ride or walk home from classes. Please respect this policy.
2. Parents must send in a note to the child's teacher, letting them know to dismiss the child to that specific activity and location.
3. Parents must park in a legal parking spot while picking up their child(ren) and may not park or stand in the bus circle.
4. Parents are responsible for ensuring their children are picked up on time from OSA each day. If a parent or authorized adult arrives more than 10 minutes late to pick up a student, the OSA instructor will send a note to Spring Hill PTO OSA Lead to notify him or her of the late pick up. The Spring Hill PTO OSA Lead will reach out to the parent to remind them of the policy and alert them that they will have to pay the **\$25 late pick-up fee at the next class directly to the teacher.** If that parent or authorized adult has two late pick-ups, the child will be removed from that OSA and may be denied from participating in future OSAs.
5. Children may be removed from participating in their class(es) and future participation may be denied if they exhibit persistent behavior problems before, during or after their classes.
