

## Valentine's Day Adopt A Teacher

This Valentine's Day give your teacher what they really want...a day off from packing their lunch! For \$5, you can "adopt a teacher" which includes a drink, pizza and a dessert this Valentine's Day. Participating families will have their name written on a heart and displayed inside and around the teacher's lounge. Our goal is to feed the entire staff, with any additional funds being contributed to the ongoing PTO events this year.

Please send cash or check (Attention: Nicole Muehr) with your child by Monday February 11<sup>th</sup>. You may create and fill out your own heart for us to hang, or just fill out the information below and we will fill in a heart for you.
