Creative Writing Club is coming to Spring Hill,

and the excitement is mounting! Check out our website, www.KondeStrategies.com,

which includes glowing testimonials from children and parents, photographs from previous clubs and camp, and videos from skits written and performed by the students themselves. Our lead teacher has been teaching the Writing Club in Vienna elementary schools since 2013. At the request of parents and students, we expanded it into a full-week Creative Writing Summer Camp in 2016. We take great pride in making writing fun and providing personal attention to each child. Contact us with any questions at CCCCskills@gmail.com or register your child today. Space is limited.
